CAHS has 14 mods instead of 8 class periods. Each mod is approximately 24 minutes in length. Most classes are “doubled” to create a period, i.e. mods 1 and 2 make a period. Other classes are “tripled”, mods 1, 2, and 3 will make a block. The bell will ring after each single Mod/Period of 24 minutes, but most students will remain in instruction for a period (1/2) or a block (1/2/3). Students are not to be released early.
